## CONTRACTORS REGISTRATION APPLICATION FOR THE CITY OF PALACIOS

### Sec. 3.02.007 Contractor's Registration

(a) It shall be unlawful for any person to do contracting work unless said person, company, or corporation has secured a contractor's application from the city, except as provided in [section 3.02.008](#) of this article. To apply for a license a person, company, or corporation must meet the following requirements:

- (1) Show proof of having at least five (5) years; experience as a contractor;
- (2) Be registered with the state or another municipality as a contractor;
- (3) Be in the construction business as of December 1, 1984 as a contractor in the city; or
- (4) Take a test based on the latest edition of the International Building Code. (Ordinance 02-01-2006, sec. 3, adopted 2/6/06)

### Sec. 3.02.005

#### (a) RESIDENTIAL CONTRACTOR:

- (1) Any building contractor conducting business in the city shall be bonded in the amount of **five thousand dollars (\$5,000.00) for projects valued at or below \$5,000.**
- (2) Any construction over **five thousand dollars (\$5,000.00)** will require a bond for the cost of a residential construction project above \$5,000.

#### (b) COMMERCIAL CONTRACTOR:

- (1) Proof of liability insurance, City of Palacios listed as additional insured in the amount of **one hundred thousand dollars (\$100,000)** for projects valued up to \$100,000.
- (2) Any construction valued over one hundred thousand dollars (\$100,000) the amount of insured will be based on the value of the project. (1996 Code, sec. 3.105)
