**City Manager's
Budget Message
For the
2017-2018 Fiscal Year**

Budget Goals

The Budget Goals for the 2017-2018 Fiscal year will be to increase unreserved cash balances for all funds including General, Water, Equipment, and Airport Funds. This year's budget is projected to maintain cash balances to match the City's goal of maintaining a minimum unassigned cash balance in the General Fund of fifteen percent (15%) of the subsequent year's budgeted expenditures and outgoing transfers. We will have to closely monitor cash flow and expenditures on a monthly basis to prevent each fund from dipping into their respective unreserved cash balances. Major goals included in this budget are to continue water and wastewater infrastructure projects, street and drainage improvements, and beautification of the City.

Financial Policies

Council adopted a Fund Balance Policy to protect fund balances as required by Governmental Accounting Standards Board ("GASB") Statement No. 54, *Fund Balance Reporting and Governmental Fund Definitions*. By applying this policy to all of the city's funds, staff will continue to be as conservative as possible, while expending funds to provide and improve necessary services.

In addition to adopting a Fund Balance Policy, Council adopted a Fraud Policy, Cash Receipts Policy, Fixed Assets Policy, and an Investment Policy to provide direction for city staff to manage monies and budgets.

SIGNIFICANT CHANGES in EXPENDITURES

General Fund

Revenues from all sources in the fund are projected to be higher than this year's current budgeted revenues by \$124,350. The fund has a projected increase in expenditures of \$124,350 in total expenditures. The 2017-18 expenditures increased 4.8 percent over last year's budget.

In the Special Items department, the line item for a 75% reimbursement of the taxes collected on the Beachside Subdivision is offset in the tax revenue section of the General Fund. It is important to note that reimbursements are only made from this line item when taxes from the Beachside Subdivision are paid. The total developer reimbursement as of July 31, 2017 is \$601,433.59.

Debt Service Fund

2017 Tax Note for the completion of the Palacios Pavilion was secured on March 7th.

Water Fund

Revenues in the Water Fund are projected to be the same as last year. Budgeted revenues are estimated at \$1.72 million. The fund has a projected no increase in expenditures from this year's current budget. We have been utilizing grants to make capital improvements.

The 2011 Series Certificate of Obligation principal and interest are \$312,550 for the budget year 2017-2018.

We will make our fifth payment in the amount of \$88,500 towards the capital lease for the new water meters.

This year's budget includes participating in the CDBG Program. The City will match \$52,500 toward the program.

Airport Fund

The city replaced the fuel pump and performed other maintenance at the Airport. Depending on revenues, minor rehabilitation and maintenance of airport facilities are planned for the budget year.

Equipment Maintenance Fund

The amount transferred into the Equipment Maintenance Fund by the other Funds will be reduced to \$157,000. The capital leases for the dump truck and gradall were paid off in the 2016-17 budget year. The fluctuation in the cost of fuel and maintenance repairs continues to require close monitoring to preserve the balance in this fund. Being that this is an Internal Service Fund, increased operating costs burdens the General and Water Funds that transfer monies to support this fund.

Equipment Replacement Fund

This year we are creating an Equipment Replacement Fund to be utilized to purchase vehicles for the police department and water department. The goal is to set up a life cycle on each vehicle owned by the city to match the depreciation of the vehicles. The amount transferred into this fund will be \$30,000 for the General Fund and \$20,000 for the Water Fund. We will be utilizing a portion of the fund balance in the amount of \$30,000 from this current year's Equipment Fund balance.

Other Major Changes

The city experienced an increase of fifteen percent for the employee insurance benefits, one and one-half percent increase in the city's portion of TMRS employee retirement benefit, and an average increase of three percent in salaries. A position was reallocated from the Water Department to the Street Department. Property, General Liability, Flood, and Windstorm insurances budgeted amounts remained the same as last year budgeted amount. Workman's Compensation remained the same from last years' budget.

FINANCIAL CONDITION

General Fund

The financial condition of the city's General Fund is sound. Sales Tax revenues for the current budget year have leveled off to approximately \$640,000 total per year.

Reserves allocated in the Restricted Fund Balance for use on future projects are budgeted at \$10,000 for new fire station and \$50,000 for street rehabilitation program. At the beginning of the 2017-2018 budget year, the reserve balance will be \$100,000 for a Fire Station, \$50,000 for Street Rehabilitation, \$10,000 for Swimming Pool Repairs, \$10,000 for Park Restrooms, and \$15,000 for Emergency Preparedness.

The 2017-2018 General Fund's approximate cash balance is expected to be \$685,000 at the beginning of this fiscal year. The restricted cash balance of \$185,000 will leave unrestricted cash balance of \$500,000.

Water Fund

The financial condition of the city's Water Fund is improving due to the utilization of grants to finance capital improvements. The unreserved cash balance at the beginning of the 2017-2018 budget year is projected to be \$175,000.

Airport Fund

The financial condition of the city's Airport Fund needs to be closely monitored. The continued lack of interest in new leases and landing activity has reduced the fund balance. We continue to use the matching grant for maintenance of the Airport. The fund balance at the beginning of the 2017-2018 budget year is projected to be \$5,900.

Equipment Maintenance Fund

The financial status of this Internal Service Fund is solvent due to the support by the other major funds. Any increase or decrease in needed funding will continue to be reflected by an increase or decrease in expenditures from the other major funds. The financial policy of this fund is generally to have revenues and expenditures match with a goal of building the unreserved cash balance to \$20,000 to offset the fluctuations in fuel costs and repairs. The goal is to eliminate additional transfers to the Internal Service Fund when expenditures exceed revenues. The unreserved cash balance at the beginning of the 2017-2018 budget year is projected to be \$25,000.

Equipment Replacement Fund

This Internal Service Fund is new fund to allocate funds to purchase vehicles in the future when the life expectancy has ended for each vehicle in the program.
